A rare commodity for poetry, the author becomes a pungent witness, a soldier armed only with words. Words such as choice, sound, sign and pride in which the need to declare, denounce, share takes shape. Difficult road to travel, a genre that makes the freedom of song, the musicality of verses and words, an instrument of commitment, struggle, awareness, ideological purity to stem the violence of history, so that it can flow away, far away, slipping on the skin of the earth.
